septDES FOAMSOAP

Hygienic hand washing

Product name	septDES FOAMSOAP
Product range	Washroom hygiene

Product description

Non-alcoholic foam soap for cleaning and hygienic hand washing according to EN 1499. septDES FOAMSOAP contains excellent care substances, so that the hands can not dry out. The discreet scent of grapefruit is free of allergenic substances. Dermatologically tested. Inspected according to EN 1499. Free of parabens and silicones. IFRA-compliant.

Packaging unit

6 x 600 ml Art.-No. 4110709603

Field of application | use

septDES FOAMSOAP is being applied drip-free as a foam using XIBU sense/ touchFOAM or XIBU inoxFOAM dispenser on dry hands and spread for 60 seconds. Then removed with water. Ideal for hygiene-relevant areas, instead of normal soap, to prevent germ transmission to other areas. Especially suitable for employee toilets in kitchens or public toilets in places where many people meet and germs can become a health risk by hand contact.

Dosage

For each use, one portion of foamed soap is dispensed. To carry out a hygienic hand wash in the medical sector according to EN 1499, rub one portion of septDES FOAM into both hands for 30 seconds and then repeat the process so that the exposure time is 60 seconds. Then rinse and thoroughly dry the hands afterwards.

Safety information

Please follow the standard safety measures when handling chemicals. **Use disinfectant safely. Always read the product label before use.** Keep out of reach of children.

Storage

To maintain product quality, store closed and in a dry place at room temperature.

Product recommendation

Use XIBU CROWN to label your dispensers so your customers can see that you care about security & service.
