

Disinfection

hup DES FORTE XL roll

Alcohol-based surface disinfectant wipes

Product name

hup DES FORTE XL roll

Product range

Disinfection

Product description

Ready-to-use, alcohol-based, fast-acting disinfectant wipes for all alcohol-resistant surfaces. Very good material compatibility and skin tolerability. VAH/ÖGHMP listed. Perfume-free. For rapid disinfection also during the working process such as in kitchens, gyms, residential care homes, and doctors' surgeries.

Packaging unit

90 towels / pack

Art.-No. 4450304400

Field of application | use

Biocides Ordinance: Ready-to-use alcohol-based wipes for quick disinfection of alcohol-resistant surfaces.

EU Medical Devices Directive: Disinfection of non-invasive medical devices by professionally trained personnel.

Application: Use the hup DES FORTE wipes to fully wet the surface and allow the solution to take effect. Make sure that the surface is fully covered and stays moist the whole time. All visible contaminations must be removed before disinfection.

Alcohol-based surface disinfectant wipes

Bactericidal/yeastcidal	EN 1276, EN 1650, EN 13697	1 min *
-------------------------	----------------------------	---------

* Dirty conditions, medical field. ** Clean conditions, medical field.

All tests performed at room temperature.

Material compatibility

Applying the solution onto perspex (PMMA) is not recommended.

Dimensions

H x W: 30.5 x 31 cm

Safety information

Please follow the standard safety measures when handling chemicals. **Use disinfectant safely. Always read the product label before use.** Keep out of reach of children. Keep container tightly closed. Keep away from sources of ignition – no smoking. Only use visually perfect goods.

Storage

To maintain product quality, store in a cool, dry place.

Product recommendation

Ideal for use with the hup BOX. The BOX protects the wipes from drying out and germs. We recommend hup DES PLUS for surfaces sensitive to alcohol.
